With immense pleasure and gratitude, we present 'Down the memory lane'; a glance into the annual activities of Janey Centre for the year 2023-2024.

Learning is indeed a lifelong process, and at Janey Centre we are totally committed towards enabling the entire formation of special needs children, into equipping themselves to face the dynamics of an ever-changing world. Also, our shared vision and mission are further characterized by an unbridled obligation to fulfil our social responsibilities, with love and faith in Almighty God.

We remain indebted to our President, H.G. Dr. Joseph Mor Gregorios Metropolitan, our pillar of strength and epitome of guidance. Our thankful gratitude is also due for Mrs. Rosamma Varghese (Our Vice-president and founder of Janey Centre), the Board of Trustees, Parents, Teachers and Students. The consistent support of all our CSR funders, institutional partners and philanthropic well-wishers are fondly remembered too, which continuously empowers us to 'dream big'.

Let's continue to light candles than to curse darkness, and strive together to make this world a better place to live.
